← How to place it

Get it from

Storage room B (ambient) · rack 3, top shelf

Take 28 punnets · 7 kg · oldest date first (Thu)

Steps

- [ ] 1. Move the 4 avocados left on C back to storage (shelf "ripening").
- [ ] 2. Check quality: no split or soft tomatoes. Set bad punnets aside.
- [ ] 3. Place punnets in rows, labels facing out, oldest date at the front.
- [ ] 4. Update the price tag: scan the shelf label, choose "Cherry tomatoes 250 g".

⚠ Promo: hang the "2 for €3" card on C. Scan one punnet at the till to check the promo price works.
